The Michigan Department of Education (MDE) has received from the United States Department of Education (USED) a grant award of **\$9,031,200** for use during the 2013-2014 school year to strengthen the pool of charter school developers in Michigan and support new charter schools. The competitive grant awards may be approved for up to \$250,000 with \$50,000 set aside for planning tasks and up to \$200,000 for implementation. Successful completion of the competitive grant qualifies this new public school academy to apply for a second year combination planning-implementation grant in the amount of up to \$250,000.
- 2) **Earlier stage Public School Academy (PSA) developers planning for a Fall 2014 or Fall 2015 opening** may be eligible to compete for eighteen-month planning grants. These competitive grant awards may also be approved for up to \$100,000 in planning expenses, and successful completion of the planning grant, along with acquisition of a charter (and the subsequent issuance of a district code), will qualify the PSA to apply for further first and second year implementation funding of up to \$200,000 annually.
